

Citroën books for Sale

For health reasons I am disposing of my collection of automotive history books. They are mostly of no great value, but Citroën enthusiasts might find something interesting here. You set the prices. Anything from \$0 and up. You pay what you think the book is worth. Highest bidder as of May 1 gets the book.

Delivery for free at Citroëns at Carlisle on May 14th. If you want the book(s) mailed I will have to charge for freight. Remaining Citroën books will be brought to the Citroën Rendezvous. Either by me, or if I am able to participate or by one of my friends.

Books not taken will be donated to interested parties and to the AACA library in Hershey, PA.
